

# CAMP CEDAR 2010 CLINICS

## Archery Clinic Satisfies ACA requirement for archery instruction

Date: Friday June 18<sup>th</sup>, 9:00 am – 5:00pm Cost: \$160

Experienced Maine archer, Steve Dunsmoor, will run this National Archery Association certification course. The course will emphasize range safety, shooting and teaching techniques and basic care and repair of equipment. This course satisfies ACA requirements for archery instruction.

## Maine Trip Leaders' Course

Required course for anyone leading trips in Maine

**NOTE:** A current Wilderness First Aid/CPR or Red Cross (or equivalent) Basic First Aid/CPR Certificate is **mandatory** for this course. If leading water trips, participants also will need Lifeguard certification. Please be prepared to take notes.

Date: Sunday, June 13<sup>th</sup>, 8:30am – 5:00pm Cost: \$65.00 \*

\* Participants need to **also** bring a check for **\$20.00** (or \$15.00 if re-certifying) payable to "**Treasurer, State of Maine**" which will be submitted to the state to obtain a permit upon completion of the course. If you are sending more than one participant the check can be made out for the total number of participants to be permitted.

Camp Director Ron Furst will lead the Maine Trip Leaders' Certification course along with other trips professionals. The course will discuss and review legal, safety and practical considerations for leading a trip. Those who complete the course will receive certification as a Maine Trip Leader.

Directors should note that all trip leaders should have strong, relevant experience. Successful completion of this course in itself does not prepare someone to be a trip leader.
